

Student School Photos - Consent Form

Student Details

Full Name: _____ Student ID: _____

Year Level: _____ Care Group: _____

All Aberfoyle Park High School Students will have their photo taken by Advanced Life Photography for school photos and student ID cards.

From 2024, as per Department for Education policy, schools are required to obtain consent:

- To release the child or student's full name, class and ID number for the purposes of school photograph production.
- For children to be photographed in a group or individually.
- Publish the child or student's full name on school photographs and Student Identification (ID) Cards.

Please note:

If we do not receive consent, your child will NOT have their photo taken and therefore will NOT receive a student ID card or school photos this year.

Families are not obliged to purchase photographs, even if you have given permission for your child's photograph to be taken.

Please provide consent (or not) by filling out the form below.

I provide consent to:

- Aberfoyle Park High School releasing my child's full name, class and ID number for the purposes of school photograph production
- Advanced Life Photography photographing my child in a group or individually
- Advanced Life Photography publishing my child's full name on school photographs and Student Identification (ID) Cards
